The Fusion Barrel

Perfect for breweries and bars, the Fusion Barrel adds the perfect accent to your venue. The Barrel seamlessly fits into your space while enhancing the vibe with music and design. As unique as your vibe, the Fusion Barrel brings attention to the jukebox and helps increase revenue. The perfect music solution for your guests.

Perfect for your venue.

- Authentic wooden barrel exterior is perfect for brewpubs, ale houses, whiskey bars and more
- Industry-leading interactive music experience helps increase customer satisfaction and loyalty
- Generates revenue for you

Why TouchTunes?

- When guests choose the music to set the vibe they want to experience, they will stay longer and spend more money.
- The #1-rated mobile app allows customers to play the jukebox right from their phone. Entertainment this easy keeps guests coming back for more.
- Filter options allow you to choose what music is available for play.
- Bar Rewards – a free staff loyalty program allows members to earn free credits every week to play the jukebox and increase guest paid plays.
